The background of the slide is a photograph of ancient stone ruins, likely the Great Pyramids of Giza, showing large, weathered blocks of limestone. A dark blue horizontal bar is at the top, and a dark blue horizontal bar is at the bottom. A semi-transparent dark rectangle is centered over the image, containing the text.

Governance and Partnerships

ICCROM works together with its member states to provide standard setting tools and approaches dedicated to the conservation, promotion and capacity building in the area of cultural heritage.

Established by an agreement between UNESCO and Italy in 1957.
