EUROPEAN
HERITAGE
HEADS
FORUM

EUROPEAN HERITAGE HEADS FORUM

**Dear EHHF members,
Dear colleagues,**

For the 17th EHHF annual meeting, the Directorate General of Cultural Heritage and Fine Arts on behalf of the Ministry of Culture of Spain is delighted to welcome all of you to the city of Seville.

As 2023 is the 20th anniversary of the UNESCO Convention for the Safeguarding of the Intangible Cultural Heritage, this year's meeting will revolve around the relationship between tangible and intangible cultural heritage, of which Seville makes one of the most unique examples due to its historic and geographic circumstances.

Under the theme "Heritage: a living being", the idea will be conveyed that heritage is a set of inseparable elements that function together as a living organism: monuments, landscape, agricultural, industrial and intellectual production, spirituality, tradition, knowledge, etc.

Therefore, we hope for this meeting to be an opportunity to share the particularities of this matter in our different countries as well as exchange knowledge, good practices or preoccupations in a background of international cooperation.

We wish you a pleasant stay and a wonderful time enjoying this beautiful city.

Isaac Sastre de Diego
Director General - Cultural Heritage
and Fine Arts General Directorate
